“Auxiliary News”

Sisters and Brothers,

I want to thank all of those who have given me your support to be your Madam President for 2018/2019. My hopes are to maintain harmony and good will in our Auxiliary and the Aerie.

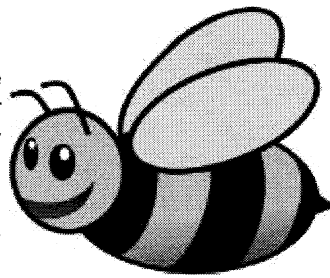

We have grown much this past year and I am looking forward to getting more Sisters actively involved in the meetings and activities of the Auxiliary. It takes a lot of teamwork to promote our activities and serve our charities. There is always room for change, so please come and share your ideas at your Auxiliary meetings, held every first and third Tuesday of the month at six p.m. in the social room. Many hands make light work and keep it fun for all.

The June charity is the Doc Dunlap Kidney Fund. Anyone wanting to help with either a dessert or working the bingo kitchen towards this charity please let me know. I will be the chair for June bingo kitchen and would appreciate your help.

The Eagles State Convention will be held in Des Moines June 13th through June 16th. Those of us attending this year will be anxious to share with you the information for any up and coming events, goals, and charities for the 2018/2019 year.

In closing I would like to thank all our officers and Auxiliary members who have made this past year successful.

Sherry Seager, Madam President

HISTORY OF THE AUXILIARY

A “new era for the women of Eagledom” began when an Amendment to the Grand Aerie Laws to establish a Grand Auxiliary passed unanimously at the 1951 Grand Aerie Convention in Rochester, New York. Eagle Auxiliaries had existed before the Grand Auxiliary was formed, the first being founded on March 24, 1927 in Pittsburg, Kansas. Three days later, a second Auxiliary was established in Frontenac, Kansas. By March 1951, 965 local Auxiliaries were in existence, totalling 130,000 members. By the end of that year, 22 state and provincial Auxiliaries were also operating.

“People helping people” is a statement that guides the charitable actions of the Fraternal Order of Eagles and has led the Eagles to donate more than \$100 million annually. As part of the charitable philosophy, the Eagles give back 100 percent of the contributions received in the form of grants. All administrative costs are paid by the International Organization through membership dues.

CHARITY OF THE MONTH

The charity of the month for June is the Kidney Foundation. Please volunteer with desserts for bingo nights or to work the bingo kitchen.

This is a charity that is dear to many of us and Burlington 150. Let's all step up and assist with this cause.

Reminder: We will not be playing Bingo on June 13th due to Burlington Steamboat Days and the Eagles State Convention.

Thank you in advance.

COOKWARE LEFT BEHIND

Missing any pans or dishes that you know you have used but can not find? If so, and if you have brought desserts in to your Eagles for a function you just might find that missing pan or dish in the Eagles kitchen. The forgotten cookware can be found on the shelves by the freezer. Come and check it out.

KEEP OUR RECORDS UP TO DATE

If you have moved, are going to move, or have had a change of address for any reason, please notify the secretaries of the Aerie or Auxiliary. If you haven't notified them, you may not get the Beak & Talons, or other correspondence. It only takes a minute to drop in when the secretaries are present, send them a note at P.O. Box 97, or call them at 319-752-4781 and give them your change of address.

HELP CUT COSTS

If you would like to receive the Beak & Talons newsletter and other announcements by e-mail we have a sign-up sheet behind the bar. Just add your e-mail address to the list. If you don't have email the Newsletter will always be on the www. burlingtoneagles150.com website. If you have access to the internet please help save. The cost of printing and mailing the newsletter continues to climb, like everything else, and after checking with other Aeries most of them are providing Newsletters by emails and websites. We have both available at this time.
